

Dear Mr. Powell,

Even as a democrat I respect your father as a fair minded man who gave this administration whatever little credibility it still may have.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation which is bringing dangerously close the Orwell's "1984" to become our reality.

Most of the "facts" have already been disproven, the whole "Stolen Honor" is just propaganda.

I studied Nazi Germany history, and Goebbels in particular: the aired on their radio a lot of propaganda as "news".
Please do not allow our standards of fairness to fall so low.
Respectfully, Wiktor Szostalo
